THE FRESH VEGGIE SERIES

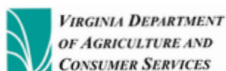

A PROGRAM OF NEW COMMUNITY PROJECT/VINE & FIG

We're making a difference!
Over **75% of individuals and families**
served report consuming more
vegetables after participating in the
program!

Awarded over **1.6 million**
dollars in grants since 2021

QUICK FACTS

Produce distributed through a
growing network of **31 area**
organizations who work with
food insecure populations!

Educational materials
(weekly recipes & videos on
featured produce)

450+ households receive
weekly produce in
Harrisonburg, Waynesboro &
Staunton Cities plus
Rockingham & Augusta Co

Focus areas include:
Health Clinics
Substance Recovery
Accessible Housing
Youth Programming

Reduce climate impacts
through regenerative farming
and same day delivery of
produce to distributing
organizations

Produce has higher level of
nutrients and tastes amazing!

Educational materials provide
easy to follow recipes, food
storage and usage tips and
fun youth activities!
